

## Interest Statement for S.N.O.A. Board Position

### **BACKGROUND**

I have been a member of the association for 19 years. Currently working Softball and some Baseball when needed. I also have done Scoring and Timing in the past when the association was short and needed help.

I served two terms as a Softball Board member and have assisted the assignor and instructor when ever asked to do so.

Started officiating baseball when I was 14 years old so now have 41 years experience in Baseball,

Softball, and Basketball.

### **WHAT I BRING TO THE POSITION**

Prior to moving to Las Vegas I held positions of responsibilities in both Ohio and Texas associations similar to S.N.O.A. My experience with high school sports and association operations would be beneficial to S.N.O.A.

Additionally, I have a strong business background with a MBA in Business as well as a highly successful business career in sales and management.

I would enjoy the challenge of helping the association grow and prosper.

Thank you for your consideration.
