

To the SNOA Membership

My name is Deborah “Debby” Philleo, I am a 21 year member in good standing and I am running for 2nd Vice President. I have been the Board Member at Large for the past two years. I have been on the scholarship committee for the past 6 years. I sat on the scorers and timers board for 6 years and was a member of the All Sports Board. I am a varsity official for scoring and timing in both Volleyball and Basketball, having also worked College basketball and volleyball. I have enjoyed becoming more involved with the organization and learning about the internal workings. I am a 25 year CCSD employee and started my 2nd career with SNOA when there was no scorekeeper or timer at a home basketball game at Woodbury Middle School. I have made a lot of new friends and colleagues, looking forward to meeting and working with more of you.
