For those of you that don't know me, my name is Mike Seifer.

I currently hold the Board of Control position of Board Member-at-Large, and I am running for re-election.

I have been a member of SNOA for 40 consecutive years. I am a 5 sport official (Football; Basketball; Flag Football; Baseball; and Softball), which means that I am involved with the activities of SNOA year round.

As the only current member of the Board of Control that is a long time business owner and with a Bachelors Degree in Business, the operational costs of a \$2,000,000 association needs to be often times monitored as a business would.

This past year I have researched the idea of lowering the 6% administration fee for the officials, and while that is still a work in process, it is something I will continue to strive for.

As we continue to move forward with new technology changes, I will keep the officials in the forefront and strive to make SNOA the best it can be.

I would very much appreciate your vote.
