

## Kyle Lemmon

My name is Kyle Lemmon, I am running for a second term as a member at large on the SNOA Board of Control. I have been a member of SNOA for 10 years. I currently officiate football, and softball. I have served on the football board and currently serving on the Board of Control. I am very honored to be part of making this association better for all the sports we have in the association. We, as a board, have not always agreed on certain points, but we have always had the interest of all the members in the forefront. I have never been afraid to express my opinion, even though I got some eye rolls, we were able to have a true dialog with all the members of the board and come to a consensus about issues. We may not have always agreed on points but we were able to do what is right for the association. I am asking for your vote so I may continue to make this association better.

Kyle Lemmon  
SNOA Board Member.
